Debbie Berning

Debbie Berning joined Professional Management Company with a strong background in office management, controller, purchasing, production, and general accounting for a large manufacturing, sales and production operation. Commercial property management was also a division that Debbie has been involved with for over 2 decades. Debbie began her career in accounting and has progressed into several different areas of expertise. During her career she has managed an office staff while handling all accounting functions, including general ledger and all financial reporting. Debbie has overseen all daily transactions of a business and has made corporate decisions at the highest level. Debbie has been involved with Real Estate accounting for over 25 years and has continued enhancing her knowledge in accounting, management and operations of Commercial Real Estate.
